

The logo consists of the letters 'YG' in a bold, red, sans-serif font, centered within a white circle that has a red border.

YAMO GEBREWOLD

WEB DEVELOPER | [MY PORTFOLIO](#) | [MY GITHUB](#)

WHO AM I?

A 26-year-old studying web developer from Malmö (Sweden), constantly aiming towards learning new technologies and creating innovative web applications.

SKILLS

- HTML5
- CSS3 (and SASS)
- JavaScript (incl. ES6+)
- React.js
- PHP and MySQL
- Bootstrap
- jQuery
- Basic Version Control with Git
- Basic Adobe XD and Photoshop

SOME OF MY PROJECTS

AN INTERACTIVE BLOG PLATFORM - [LINK](#)

The blog platform "Opinion" was created with object-oriented PHP and the database management system MySQL, as well as asynchronous JavaScript. It contains: user authentication, a login system, CRUD-operations to a relational database as well as other utility functions.

A REACT PAGE FOR A WEB DEVELOPMENT AGENCY - [LINK](#)

This site was created with HTML, CSS, JavaScript and React.js (with React Router).

RELEVANT EDUCATION

HIGHER EDUCATION DIPLOMA IN WEB DEVELOPMENT • AUTUMN 2018 – ONGOING • [MID SWEDEN UNIVERSITY](#) (DISTANCE)

So far we have learned the fundamental technologies of web development. Next term we will be studying C# and ASP.NET as well as Node.js along with Express.js and MongoDB.

SELF-TEACHING ONLINE • 2017 – ONGOING

I have spent lots of hours studying web development online on platforms such as [Udemy](#) and [FreeCodeCamp](#). I have also obtained certificates from these platforms [link].

OTHER

- **Driver License:** Swedish Driver License (B)
- **Languages:** Swedish, English, Persian, Arabic
